## 6 days to the ultimate big game and gorilla in Uganda

### Luxury safari

### QUEEN ELIZABETH AND BWINDI FOREST NATIONAL PARK

#### **SAFARI HIGHLIGHTS**

There is no other country in Africa like Uganda – the pearl of Africa in 1908, in his book my Africa journey SIR WINSTON CHURCHILL WROTE;

“For magnificence, for the variety of form and colour, for profusion of brilliant life, bird, insects, reptiles, beasts- for vast scale- Uganda is truly the “pearl of Africa”

The kingdom Uganda is truly fairy tale, the scenery is different, the climate is different and most of all, the people are different from anything else where to be seen in Africa in the whole range of Africa

*Taking on the pearl of africa*

From its source Lake Victoria, the river Nile crosses the rift valley to give Uganda dazzling range of unique habitant. Uganda resulting beauty, natural wonders and biodiversity have impresses generation of travelers, visitors return for Uganda’s welcoming people and temperature climate. Uganda is most coveted natural attractions include the endangered mountain gorilla, chimpanzee and over 1,000 species of birds.

Uganda’s diverse habitant have enthralled wildlife watchers, and seasoned Africa – goes for decades

Hikers and mountain climbers congregate in the Ruwenzori Mountains as well as Mgahinga national park, which boast three major peaks

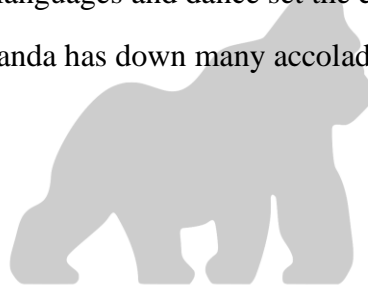

Game and bird watching is particularly popular in Uganda's many national parks and one of the special attractions is the tree climbing lions in the Ishasha sector of the queen Elizabeth national park.

Yet there is more Uganda: walking or quad bike safaris, mountain climbing and grad 5 white water rafting a few of the adventure

activities,

Her culture of 52 tribes and their languages and dance set the country apart

Comparatively small country, Uganda has down many accolades including lonely planet number one destination to visit in 2012
